

As a new Reliance Petroleum customer, registering for Reliance**Now** is quick and easy . . . just three steps and you'll be able to enjoy all the benefits of Reliance**Now**.

Managing all your fuel, lubes and cards is now easier than ever!

Introducing Reliance**Now**

Now that's easy!

Step 1

Log onto www.reliancenow.com.au and press the **Register Now** button.

Step 2

Enter your new Reliance Petroleum account number. You'll find this new account number on the documents that you have received from us in your sign-up pack. (nb: Please be sure not to enter your old Westoil account number.)

Step 3

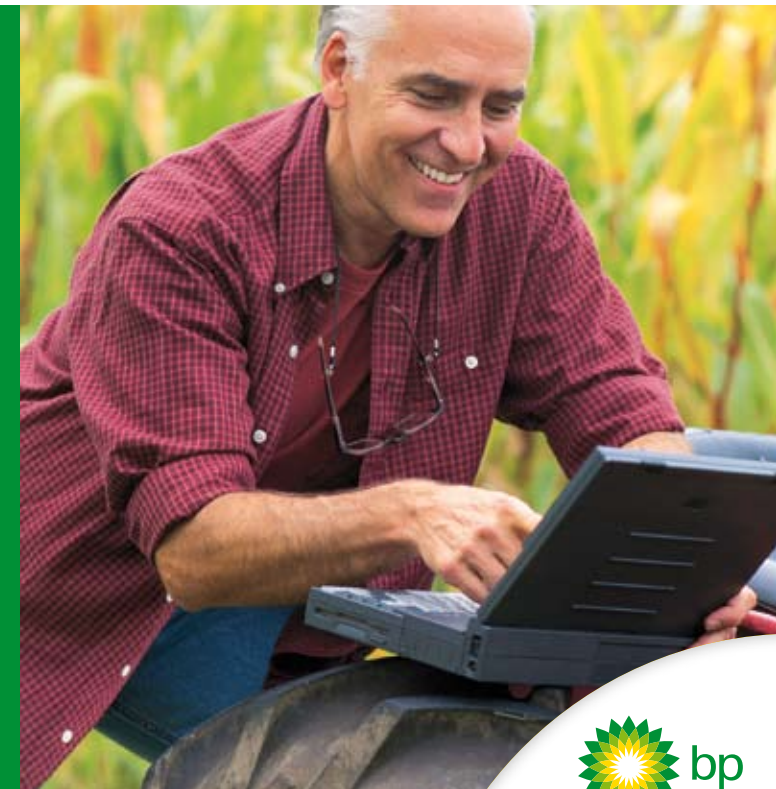

Complete the Application Form with your company details, then accept the Terms and Conditions and press the **submit** button.

Our team will create a Reliance**Now** user name and password for your new Reliance Petroleum account. We will send details and instructions on how to use Reliance**Now** to your nominated email address.

Authorised Distributor of Castrol

A Distributor
of BP Products

At Reliance Petroleum we understand that managing your fuel, lubes and Reliance Cards can be involved and time consuming – especially when you're on the go all day and you need to do it all within business hours.

That's exactly why we're introducing...

Now that's easy!

We've listened carefully to what you've told us and we've developed a website that gives you what you want and need. And – best of all – we have made it really easy to use.

Just look at the benefits and advantages you'll enjoy as soon as you start using RelianceNow:

> Convenience

Use RelianceNow any time that suits you – we're open for business 24 hours a day, 7 days a week.

> Simplicity

It's now so simple to place orders, view invoices, manage your Reliance Cards, track the progress of your deliveries and even get copies of documentation on RelianceNow. And, so much more!

> Personalisation

You can personalise RelianceNow by tailoring it to help save you time whenever you place an order. By creating easy to use templates that you save, there's no need to re-enter your requirements.

> Security

RelianceNow is safe and secure – you can even select levels of authorisation by users and determine which parts of your account on the website they can access.

Just imagine what a difference RelianceNow can make to you and your business! Administration will be so much easier.

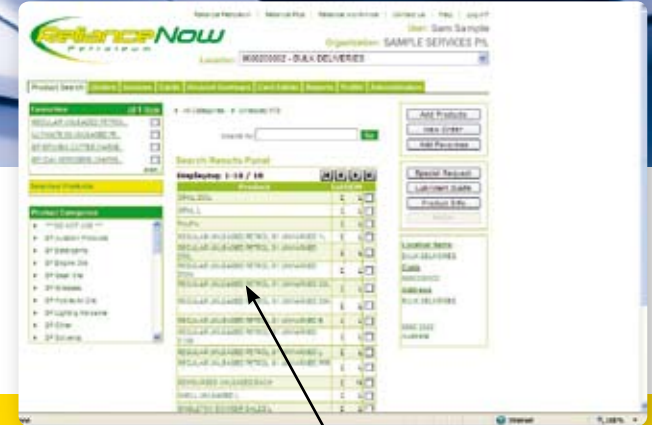

If you're familiar with internet banking, you'll find that RelianceNow is just as user-friendly, reliable and accurate – and it's always ready for you to log on.

All the information you need is just a few mouse clicks away! Every function has a separate page – and it's easy to navigate between pages.

> Want to look at your recent transactions on RelianceNow?
Now that's easy!

> Want to search for products and product information?
Now that's easy!

> Want to build a list of your favourite, regular products that will make it even faster to place repeat orders?
Now that's easy, too!

RelianceNow makes it easy to search for the products you want.

RelianceNow makes it easy to manage your cards.
